1 Team USA's Magic Johnson played in the Olympic Games in Barcelona, Spain, with The Dream Team, the NBA's 11 best players plus Christian Laettner, winning the Olympic men's finals.

2 The British Prime Minister announced the separation of Prince Charles and Princess Diana. Sympathy leaned toward the princess, who retained custody of sons Will and Harry.

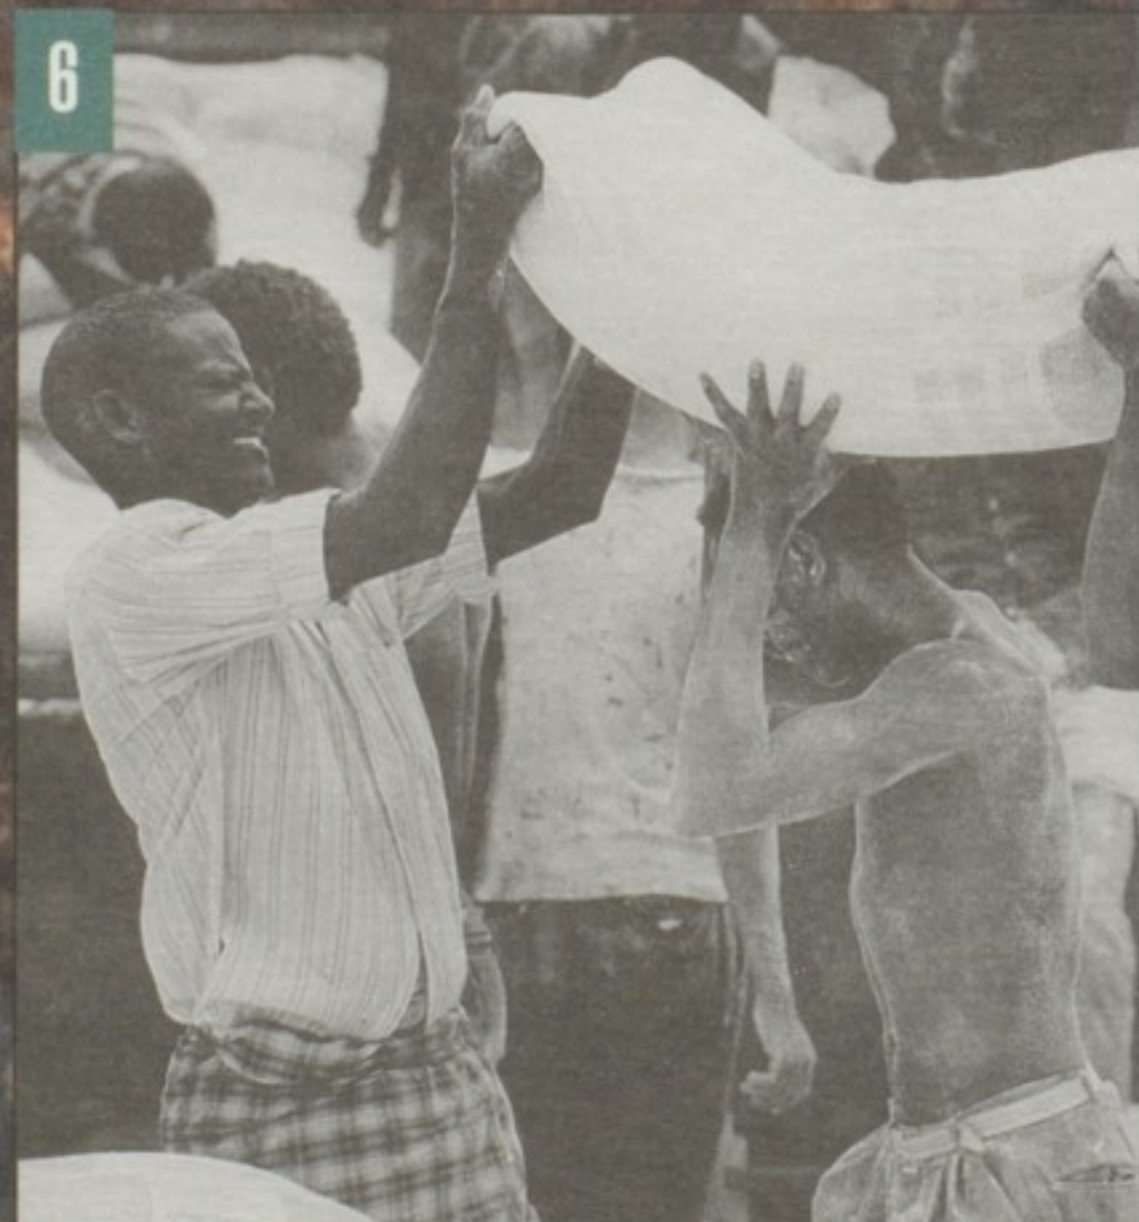

3 Hurricane Andrew tore its way through Miami, Florida, stacking boats at a marina on Key Biscayne. The final damage to Floridians was in the billions; the thousands left homeless received federal emergency aid.

4 Madonna dominated the media promoting a movie, a book and an album. The Material Girl managed a record \$60 million deal with Time Warner to form her own multimedia company.

5 The comedian host of "Late Night With David Letterman" for 11 years on NBC switched networks. CBS offered Letterman, a favorite of the younger audience, a \$42 million deal.

6 The U.N. allies airlifted food supplies to Somalians devastated by drought and civil war. The U.S. dispatched marines who cleared a path through looting and fighting so supplies could reach the starving.

7 The second year of the Lollapalooza Tour, part rock concert, part circus, featured rapster Ice Cube along with Pearl Jam, the Red Hot Chili Peppers and others. The Concourse of Oddities and Curiosities drew the alternative crowd.

A Game To Remember

The 1992 Homecoming football game against Woodhaven was quite a battle. On a fourth down and one, late in the fourth quarter, Dearborn's attempt to keep control of the clock failed. This resulted in a fumble that led to a Warrior touchdown, giving Woodhaven a 3 point lead with less than three minutes to go in the game.

The Pioneers rallied back, but it was not enough. The final score of 16-13 read in favor of Woodhaven. But, it was a hard fought game not to be forgotten.

Hearing Impaired

Most people take hearing for granted; not the hearing impaired students at Dearborn High School. These students live their lives in a silence. Hearing Impaired students rely on help from their interpreters in normal, everyday classes. We commend the DHS Hearing Impaired staff for their fine work of interpreting and translating daily assignments, lectures and spoken conversations.

Special Education/ LD Consultants

Dearborn High has one of the best special education programs in our area. Special education is designed to help the young adults who have problems in grasping concepts which many people might think are simple. In order for these special students to understand these ideas, it is important for a teacher or teachers to take the time to help students. Often students in this program are mainstreamed, so that they may receive the full benefit of a high school education.

Not many know about the special services that are available at DHS. Some of the services offered are help from the Social Worker, Speech Therapist, and Psychologist. These courageous people are commended for their work in making the students feel more comfortable about themselves.

Foreign Language

Dearborn High offers three exceptional foreign language classes; French, German, and Spanish. A serious college bound student would be wise to enroll in such a class. Getting a head start in speaking a foreign language can only further one's success in the future.

Some students are lucky enough to visit the country of the language they're studying. This is an experience that every teenager should have. The trip is something that is not only rewarding, but creates memories that will never be forgotten.

"I believe learning a second language gives a person an edge in the business world. If there were two applicants for a job at a major company and all of our credentials matched, I would be more likely to get the job (according to my parents). Learning a foreign language also enables a person to communicate with new and interesting people," states Ann Marinucci. Ann, who is a senior, has been taking French for six years.

Gym is a class both loathed and loved by many students. Whatever your opinion, it is a requirement for freshmen and sophomore year. New skills are learned and old ones are practiced.

Gym offers students the opportunity to keep in shape and have fun while they're doing it. Tennis, football, golf, basketball, and swimming are a few of the many activities one can participate in while taking physical education.

A true athlete may elect to take a life saving, team sport or life sport class.

Social Studies

Social Studies is a major part of a student's education. The D.H.S. Social Studies Department offers psychology and sociology along with the required government, economics, world civilization and U.S. History classes.

No matter what classes the students take, they are sure to have fond memories, whether they be of Mr. Zitny's stories about his son in Arizona, Mr. Doyle's grading scale, or Ms. Cranfield's daily sports reports.

Each teacher has their own special method of making the kids participate, whether it be Mr. Bremenkamp's "green weenie", Mr. Nastase's "golden carp" award, or Mr. Bridges' 95 m.p.h. "flying chalk". Each way, the students will finish the course with a better understanding of the subject.

EXPRESS YOURSELF

Forensics is a practical class for people who would like to be lawyers, statesmen or any other career that requires a great amount of speaking.

They are not afraid to talk in front of a small group of people. Forensics class is fun for people who like to talk and act.

Everyone in this class does the best that they can do.

This class include the categories of serious, humorous and duo interpretive reading, informative speaking, radio broadcasting and others.

This is an excellent way to express yourself.

(L-R): Mrs. Braathen, Joe LaRussa, Marc Viscogliosi, Danny Agency, Patrick Gallagher, Laura Maura, Todd Sedlak and Kelly Huang.

BREAKING INTO VIDEO TECHNOLOGY.

WDHS is the television production class at Dearborn High. Russ Gibb, an ex-disc jockey and rock band promoter, started the class nine years ago with one Beta camera and two Beta video decks. Over the years, the class got more publicity and some companies donated equipment. Eventually the studio evolved into one of the best video production studios in the country.

In the actual class students learn how to storyboard, shoot, and edit videos as projects. Some students go on trips to New York and California to learn about the latest technology. Other students participate in out of school projects like Back Porch Video and PTA sponsored television shows.

W.D.H.S. Station Manager, Andy Fradkin and Assistant Station Manager, Andrew Erikson help Mr. Gibb run the class. This is a class where students can be creative and show their feelings on video.

The Art Club is sponsored by Mr. Hashoian. The Art Club is here to promote the arts and to promote service to Dearborn High. They meet once a month, or when needed.

They have worked on such projects as "Hollideers," the Pioneer sign in front of the school, and the Student Assistance area display.

This year's officers were: President, Sadie Jones; Vice-president, Jenny Whitman; Treasurer, April Wolak; and Secretary, Meredyth McConnell. Other members include: Kristen Louks, Tammy Ferreri, and Paris Fleezanis.

The Art Club's main goal is to encourage art in school and in the community.

Muse is the annual D.H.S. literary publication made up of artwork, prose, and poetry. It accepts entries from both students and teachers, which is then judged by students for admittance to the magazine. Muse is entirely run by students along with help from Helena Baginski, retired D.H.S. English teacher.

The name Muse originates from Greek mythology. It refers to any of the nine goddesses who presided over literature and the arts.

Every year Muse strives to make that year's publication better than last year's magazine. Fundraisers help Muse continue to be one of Dearborn High's fine traditions.

THE OBSERVER

The *Observer* is DHS's official newspaper. The paper keeps students informed about school activities, sports, problems, and includes an Editorial Comment every week. The newspaper advisor is English teacher Ron Webb, and is completely written by Journalism 2 students. The *Observer* is run by the Editor-in-Chief, Ruth Ann Francis. She decides what stories to cover and helps any reporter when they need it. The staff has begun to cover social and economic issues. Also, the staff has done focus issues on the Millage Election, Aids, and School Improvement.

BREAKING OUT WITH CLOSE-UP.

Close-Up is a club that allows students to take a trip to Washington, D.C., to visit the area. Participants also get to see historical sites and monuments. However, much of their time was spent in a classroom. Most of the students that were interviewed said they learned something new every day. Last year participant and this year senior, Marc Viscogliosi said, "It allowed students from different places to meet other students with the same interests, while still learning about the U.S. Government and having fun while doing so."

The students in chorus and choir are the song-birds of D.H.S. They sing more classical, historic songs. This class helps students share vocal ideas and cooperate harmonically. Mrs. Madias-Kalasz, a new teacher, is the instructor of the chorus and choir. These students partake in the Jazz Show, the Christmas Show, Choral Festival, and the

Spring Show. Members of the chorus/choir are: Jennifer English, Anna Gleichauf, Sherri Colleti, Jeremy Sullivan, Stacey Johnson, Jennifer Knight, Jennifer Whitman, Andy Ziats, Jesse Rafferty, Jill Ellerbrake, Amie Cahill, Rayline Latchaw, and Paulette LaDouceur.

The Tonettes and Offtones are two groups of vocally inclined students that meet one morning per week before school. They sing in the Jazz Show and the Cabaret. Most of their songs are from the 50's, so both parents and students can enjoy them. The Tonettes are the female coun-

terpart, consisting of very talented young ladies. The Offtones' strong, male voices really know how to carry a tune. It is a real pleasure to listen to them harmonize.

Breaking New Beats!

This year's band was led by a new director, Jeffrey Oshnock. He directed the band in pregame and halftime shows during football games and led them in their performance at the Fall Pops Concert.

This year about 50 band members had the opportunity to visit the "city that never sleeps." While in New York City, they had a chance to "show their stuff" in front of the Statue of Liberty.

A lot of time, money and patience was put into the trip. Numerous hours of practice were put in by all members to make the trip a success. Many band members sold candy in an effort to raise money for expenses.

The Performing Arts Booster Club (PABC) is a major supporter of the DHS Band in their efforts. Contributions from PABC is what made "Breaking New Beats" in 1993 possible, said senior Drum Major, Becky Sekulich.

Standing at a halt, the band performs the "Star Spangled Banner".

Members succeed in forming the letter "D".

The band takes time out to catch their breath for a while on the bleachers.

Senior Jesse Raftery breaks from his concentration to glance at the camera.

The 1992-93 DHS Pom Pon Squad has shown its spirit all year long at games and pep rallies. The squad played a role at getting the fans in the mood for Pioneer victories.

Being a squad member means more than just standing in a line and looking pretty. It takes hard work and dedication.

Breaking the Business

The First Stop is a student run store, giving students an opportunity to use skills learned in classes in the business department. Everyone has their own responsibilities in running the store, including ordering candy, clothing and taking marketing surveys to determine what items to order. All advertising and promotions are done by the students.

In addition to learning how to give correct change, students learn how to interact with people, properly use accounting procedures and file documents. The students determine the store fixtures and implement their own security measures.

The 1992-1993 school year was the second for the DHS Ecology Club. Its members include senior, President Rayline Latchaw; junior, Vice-President Kelly Huang; senior, Secretary Jessica Warner; and junior, Treasurer Jennifer Day.

Some of the club's activities include paper recycling, pop can recycling and various fundraisers such as selling environmentally-aware T-Shirts. The money raised was used to promote awareness of ecological problems at DHS and in the community. The Ecology Club is sponsored by science teachers, Traci Eisenberg and Natasya Shajira.

Foreign Exchange

Yolhect Polo-Castillo from Venezuela.

Rodrigo Picon from Chile.

Jun Ohta from Japan.

Annette Herbst from Germany.

Dearborn High has the honor of being the host school to four foreign exchange students. These students must have a 3.0 average at their home school to have a chance to be selected.

Foreign exchange students who come to Dearborn High School have a very hard time. Not only do they try to make good grades, but they have to understand a different language.

Yolhect Polo-Castillo says school is very different than her home in Venezuela; she says she likes it here very much.

Breaking World Tensions

Model UN Strives to Teach Global Understanding Through Competition

Model United Nations (Model UN) is a club at Dearborn High where students discuss topics that are brought in front of the United Nations. Over the years, DHS's Model UN team has won many awards, including numerous delegation awards and several individual awards.

Due to the fact that much of the team returned from last year, the team had high hopes for this year.

This year the Model UN team has attended the Globe Conference in Grand Rapids, the University of Michigan Model UN Conference in Ann Arbor, and also the Great Lakes Invitational.

Breaking Out With Creative Thoughts

Odyssey of the Mind Competes With Creative Thinking

Odyssey of the Mind (OM) focuses on intellectual competition, stressing creative problem solving.

This is only the second year that DHS has had an OM team. Last year's team made it to the State Finals.

This year the team traveled to the western woods of Michigan for a retreat to practice creative problem solving and survival skills. During the retreat, the OM team encountered a snow storm and were forced to stay an extra night. The extra time was well used for continued practice and fun, according to senior team member Ruth Ann Francis.

Troupe #586 overcomes broken ground in 1992-'93

Despite a new director and delays, Dearborn High's Thespian Troupe #586 performs and prospers

Seated, Josh Bunse, front row (l-r): Joe LaRussa, Ruth Ann Francis, Becky Longworth, Rebecca Marko, Jennifer Day, Rochelle Rouso, Chris Novoselich, back (l-r): Jeff Pearson, Jennie Knight, Sheila Reeves

With a new director and a delay starting fall play rehearsals, due to the millage, Thespian Troupe #586 faced many challenges during the 1992-93 year.

Before the school year even started, the future of the troupe was uncertain. Auditions for the fall play were pushed back until after the Oct. 4 millage vote, in the hope that the pay-to-participate fee could be avoided. As a result, the troupe had only six weeks to put together the fall play, *You Can't Take It With You*.

Besides having to overcome the challenges of the deficit, the Troupe also had a new director, Valerie Mangrum.

The troupe also attended the State Thespian Conference and performed *The Good Doctor*, in the spring.

Becoming a member of the troupe takes work and dedication. For membership, 10 points must be earned. Each point is equal to 10 hours of either crew or performance work. For initiation, seven of the points must be in one area, and the remaining three in the other.

Breaking into college

Classes at HFCC, U of M-D present new challenges, new opportunities for DHS seniors

front (l-r): Seniors Kelly Puzio, Becky Sekulich, Brad Shaw, Kirsti Bocskay, Ruth Ann Francis, back (l-r): Chris Good, Laura Andrews and Anne-Marie Marinucci

Calculus, fifth year French, Mideast Policy and Art History; these are classes offered to students at local colleges, but for some DHS seniors, these classes are part of their regular schedule.

Because these classes aren't taught at DHS, 15 seniors attend regular classes at HFCC or U of M-D. These students complete all the requirements of the college class and get college credit, in addition to double credit toward DHS graduation.

There are downsides to this program. Along with the advanced material being presented at a college pace, many of these students encounter problems scheduling their regular classes.

On the other hand, college credit, a half tuition scholarship, the experience of taking college classes and occasionally having a few hours off during the day, due to cancelled classes, make it all worth the time and effort.

By preventing drunk driving, many lives are being saved.

S.A.D.D. (Students Against Drunk Driving) works to promote the message that drinking and driving is dangerous and can be fatal. They give others alternatives to driving drunk. This group met once every two weeks to discuss upcoming activities and ways to prevent drunk driving.

S.A.D.D. sold baked goods, bumper stickers, and T-Shirts during Open House and parent teacher conferences. In December, red ribbons and T-Shirts were sold for the annual Red Ribbon Campaign as reminders not to drink and drive during the holidays.

Fading Memories

There, I stood alone,
Gazing at the burning embers:
The remnants of a campfire,
Long since sparked to life.
Wood was burning away,
Like so many memories,
Turned to ashes,
And blown away in the wind;
A whisper of wind,
Without a word...
Faded...
Forgotten Memories.

Persevere

I stood before the blood red clouds,
I threw my face up to the boiling sky,
And lightning struck me full across my face.
I did not flinch.

I stood upon the highest cliff,
And rumbling earth did crumble beneath my feet.
I fell onto the waiting rocks below.
I did not cry.

I stood inside the hottest fire,
While the furnace flames licked my body greedily,
And burned me slowly until I was only ashes.
I did not scream.

Because no matter how they hurt me,
The stars still shine down on my aching head,
Soaking up my pain and giving me hope for the future.
I will not turn away.

A Year To Remember

The 1992 Girls' Basketball season was a time to remember. After losing three of their starters from last year, the girls' had a whole new roster to fill. The girls' really did not have a very great season, but that never brought down the spirit of the Lady Pioneers. The Girls' Varsity Basketball season ended with a 5-15 record. They moved forward to the districts against cross-town rival Edsel Ford. The game was really close, 44 to 59. The girls will never forget all the great times they have had together, and I hope they never will.

AWESOME!!!

The Dearborn Pioneers started the season on a great note. They defeated Livonia Chruchill 28-6. They continued their strong start by crushing Cabrini 39-0. The following week DHS began their race for the league championship. Unfortunately, they were defeated by Redford Union. The next four games proved that no matter how hard the Pioneers tried they just couldn't win, losing to Marine City, Woodhaven, Edsel Ford and Garden City. Despite their losing streak the Pioneers pulled together to beat St. Clair 12-6. They ended the season on the right foot by stomping Melvindale 9-7. Their overall record was 4-5.

Varsity Football Cheerleaders '92 - '93

If Dearborn has the spirit, then let's hear it!! Imagine a school without cheerleaders; no one to keep the spirit of the school up. That's the job of Dearborn's Varsity Cheerleaders.

The seniors on the team who are graduating left some big shoes for the juniors to fill. But for all the team members, the '92 season was filled with unforgettable memories.

SHOOTING ON NEW GROUND!!!!

This Year's Best!!!

The 1992-93 Varsity Boy's Basketball, was one of the most exhilarating sport seasons. It took more than just one person; it took a team. The basketball team had an outstanding season, with a record of 20-3. This team always rebounded from their defeats. They played very well at all times, but they played exceptionally well during the games against Fordson and, Dearborn's biggest rival, Edsel Ford. Dearborn played every game with desire to go to "States."

Depth leads to victory for Girls' Tennis

The Pacific Ocean, as is widely known, is deep. Many of Einstein's famous equations are deep. The distance from the top of a full cookie jar to the bottom can be considered deep. In 1992, the girls' tennis team was deep and that contributed to an excellent season.

This depth helped the team to a 8-4 record, which proved once again to be victorious over a challenging season. Not only did they sweep through the league tournament with all 28 points, but they finished first in the Regionals for the third consecutive year. They have now established themselves as worthy contenders in the Class A State Finals, with the hopes of going one more step to a State Title.

Captains (L-R): Catherine Schmitt, Laura Maura, and Susie Schmitt. "It was an excellent season. And we are proud of our accomplishments."

Breaking in the Young

The 1992 Girls' Field Hockey team was made up of the inexperienced and the experienced players. There were some veterans, but the team had lost a lot to graduation last year.

The team started out a very young team, willing to learn. Throughout the season they pulled together to form a team. The team won two games, tied two, and lost ten, but the team still had the spirit to win. The team played Liggett, Greenhill, Academy of Sacred Heart, and Edsel Ford during the State Finals. During States they won one, tied one, and lost two.

It was an exciting experience for all of the new team members and one of the last for the old members, but it will be an experience remembered for the rest of their lives.

UNDEFEATED IN DUAL MEETS

Dearborn Boys' Golf had another great year. They were number one in the League, qualified as one of the top three teams in the Regional tournament, and played in the State finals. Beating their big rival, Edsel Ford 214-255, they went on to be 8-0 in the League and 11-0 overall. Losing their captain, Matt Joseph, and Gabriel Cipparrone to graduation will not be as bad as it sounds. Twelve varsity letter winners will be returning to the team.

BUMP IT; SET IT; SPIKE IT!!!! PARTY ON GIRLS!!!!!!

The 1993 Girls' Varsity Volleyball season started off a little rocky. The frustration and inexperience of the players brought them down. But, as the season progressed and the girls became more familiar with the concept of the game, they began to show each other what they were capable of doing. This year's team was stocked with many underclassmen: six juniors, two sophmores, and a freshman. This year may be a rebuilding year, but watch out next year!!

Co-captains: Vicki Smith and Jessica Warner.

A Rose Once Grew

Near shady wall a rose once grew,
Budded and blossomed in God's free light,
Watered and fed by morning dew,
Shedding its sweetness day and night.

Onward it crept with added strength
With never a thought of fear or pride,
It followed the light though the crevice's length
And unfolded itself on the other side

The light, the dew, the broadening view
Were found the same way as they were before,
And it lost itself in beauties new,
Breathing its fragrance more and more.

Shall claim of death cause us to grieve
And make our courage faint and fall?
Nay! Let us faith and hope receive--
The rose still grows beyond the wall.

DHS AFTER HOURS

Breaking loose at Homecoming 92

"It Had To Be You"

This is a song students at Dearborn High School will not soon forget, because it was the 1992 Homecoming theme. Saturday, October 3, many students attended the class competition and then the football game. That afternoon, students ran from store to store taking care of all the last minute details to make sure their evening would be perfect. The dance was held from 8:00 until 11:00 pm at DHS in the Redwood Room. Students danced the night away, then friends gathered after dinner to show that the evening had pleasantly come to an end.

The Halloween Dance, which is sponsored by WDHS, was held Friday October 30, 1992.

This year's dance was filled with surprises, music, and good times. As in every year, there was a best costume contest. The prizes were as follows: first place was \$50, second place was a Sony Walkman, and third place was \$25.

Matt Dienes won first place as a grotesque zombie. Second place went to Anthony Matt for his body painting. And third place went to Katina Hamman, Katie Smyth, and Katie Kehoe who went as headhunters.

SPIRIT WEEK SPIRIT WEEK

Spirit is alive again in '93 at DHS! For one week in January, students showed their school spirit by participating in the theme of each day and the lunch-time festivities. For example, on Wednesday each class dressed up in their class color and decorated their hall. For the second year, Opposite Day was amusing for all as students dressed up as the opposite sex. Hippie Day was psychedelic with students sporting beads, sandals, and peace signs. Clash Day was a potpourri of stripes, plaids, and polka dots. And Orange and Black Day was a hit as the Boy's Varsity Basketball team finished off the week by defeating Edsel Ford.

\$\$\$ CASH \$\$\$

When Dearborn High students are not hitting the books they're out doing what every person is: making money! Whether it be making pizzas or selling clothes, students find it difficult but necessary to hold an after-school job to pay for such things as gas, food, and weekend activities.

Restaurants and clothing stores are a few places where Dearborn High students earn extra cash\$. "Most students hold a job so they can purchase necessities for the weekend!!" said senior Alex Garcia. On the other hand, Catherine Gruntman said, "With the money I've saved, it will help me with spending money for college." Regardless of the hard work, students still seem to enjoy saving money for their own financial purposes.

Have you ever wondered what it would be like to have someone look exactly like you or to know that you and your brother or sister were born just seconds apart?

Being an identical twin can have its ups and downs. Most birthdays are religiously spent with the "other half." Twins are constantly asked the obvious question, "Are you guys twins?"

Fraternal twins have it a bit easier. They aren't bombarded with the "are you guys twins?" question. Instead they're commented with, "You guys are twins? You don't look anything alike."

When asked what it's like to be a fraternal twin, senior Jennifer Kaye states, "It sucks! My brother always gets me into trouble."

Thanksgiving Baskets

This year, the Dearborn High Student Council continued the tradition of collecting canned and non-perishable foods for less fortunate families.

Enough food was collected to supply 17 families, five more than last year, with two weeks worth of food. As an incentive for students to donate items to the collection, Student Council held a raffle. The price for one raffle ticket was four items for the baskets or a two dollar cash donation. Many Student Council members believe this project is very worthwhile and helps the families a lot.

"People don't realize how much it means to people to receive this food. It helps more than people think," said senior Jessica Warner in *The Observer*.

The DHS Thanksgiving Basket tradition will be carried on throughout the years to come. It's always good to know that there are students out there who are concerned about the needs of others.

From a distance, Student Council gathers all of the donated food to be put in baskets for the many needy families. Taking part in a charity, such as this, can give one a feeling of importance and accomplishment.

DHS Booster Club

Many thanks go out this year to the DHS Parent Booster Club. Their many fund raisers made a new sound system and speakers, for both the football field and the gym, possible.

DHS parents contribute their time and energy to provide the sports teams with non-budget items. Selling pumpkins, putting together the annual Homecoming Pancake Breakfast, and setting up booths at the Homecoming games are a few of the fund raising events the Booster Club sponsored.

The parents also make six sports banquets possible each year.

Thanks to these dedicated parents our teams are provided with special items that make the season more enjoyable for everyone.

Students enjoy the annual Homecoming Pancake Breakfast put on by the parents. Hot flapjacks, sausage and applesauce were enjoyed before the big game.

Breaking New Ground After a Nice Nap

Sleeping in class has become more and more common in the past couple of years at DHS. It all started back during the 1991-92 school year when the first hour class changed from 8:15 to 7:40. Students had to start waking up earlier. This wound up causing them to sleep during class in order to catch up on all the sleep they were missing. Some students grades started dropping because they weren't able to stay attentive during class, and this eventually led to failure. So, this made it inevitable for night school. To these students, all this meant was less sleep!

This past summer was very memorable for many of the student at DHS. Not only did these students spend a lot of their time enjoying their freedom, but they also spent a few hours doing work for the community. This was a result of their careless actions. Many of these students were arrested for offenses ranging from disobeying a park ordinance to being an accessory to a crime. The rest you can use your imagination for.

BREAKIN' RULES; HAVING FUN!!!

Outside Sports

For the first time this year we are including a page in the yearbook for students who participate in sports outside of school. These sports include Hockey, Men's Volleyball, Rock Climbing, Diving, and Indoor Soccer, none of which are offered by Dearborn High School. These sports take a lot of time, dedication, and money. By playing in these outside sports, students tend to learn a lot about responsibility, cooperation, dedication, and time management, which are all qualities needed for a successful future. Dearborn High School is very proud of these students!

1. L.J. Scarpace trying to defend his team's goal.
2. Christopher Good diving at Eastern University.
3. Mike Rucinski playing for the Junior Red Wings.
4. Christopher Schneidt, Robert Fralvey, Jason Kirk, Brian Dooley, and L.J. Scarpace playing volleyball for Buddy's Pizzeria.
5. Dennis Steinhauer climbing to the top of the Beartooth Mountains in Montana.

Ten Best Reasons To Skip Class

10. Just to get out of school.
9. To get more time to study for a test.
8. To test your new excuse on the security guards.
7. Just to see what your favorite "pro sports" team is doing.
6. To talk to your "friend" and see what the point spread is for the game tonight.
5. To see what your girlfriend / boyfriend is doing.
4. To plague your favorite teacher till he / she throws you out of the room.
3. To go to court to fix your brother's / sister's speeding ticket.
2. To play cards with the "poor lowly slob" who don't have a class.

Dearborn High Schools: Old and New

When many of us think of Dearborn High School, we think of a modern building located at 19501 West Outer Drive, but this building is not the only building to be called DHS.

The original DHS, opened in 1893, was located on the corner of Garrison and Monroe. In 1929, the second Dearborn High opened its doors to students. This building is familiar to many people as the former Adams Junior High School located on the corner of Garrison and Monroe. DHS as we know it was opened in the fall of 1957.

2. The second Dearborn High School, opened in 1929, still stands at Garrison and Mason.

Fads 'N' FASHION Breaking Into New Styles

Different styles come and go at DHS every year, but Girbaud and flannel shirts have stayed. A few of the many fads are Fila shoes, boxers, Denim button-down shirts, and clothes from The Gap. Don't forget the DHS Varsity jacket. Fads will always be a tradition at Dearborn. So dress in the latest fashions, and keep up with the new Fads.

"Hangin'" Out With Friends in '93

Dearborn High seniors have had a number of different "hangouts" throughout their four years spent at DHS. One of the biggest "hangouts" has been Andoni's, despite the \$2.50 minimum. Other places seniors have hung out are Taco Bell, Rally's, Ford Field, Mr. Billiards, and even Kelly Puzio's house!

These few "hangouts" may seem insignificant to some, but to the seniors in the class of '93, they have become the site of many fond memories that will always be shared amongst them. So, to the class of '93, don't ever forget all the time we've spent together "hangin'" at Taco Bell, etc., because there was nothing better to do. These are our memories and nothing can ever change that!

You Can't Take it With You.

Due to the millage, Thespian Troupe #586 had only six weeks to put together "You Can't Take it With You".

Many new faces were introduced to the fall play, including that of Valerie Mangrum. Even though being part of a play causes a lot of stress and anxiety, more newcomers and regulars take a part in it year after year.

Though it was difficult to learn lines and build a set in the time allowed, the cast came together as a team and pulled off an amazing production, despite the numerous arguments and mishaps.

TOP RIGHT (L-R) The cast: Back row: Jon Teefey, Jack Richards, Ruth Ann Francis, Sheila Reeves, Joe LaRussa, Rebecca Marko, Jeff Pearson, Jill Ellerbrake, Paul Brenton, Jennifer Day, Heidi Johnson, Jamie Dewyer, Joe Szeliga. Front row: Scott Middlebrook, Jennie Knight, Jay Brooks, Matthew Osborn, Josh Bunse, Rayline Latchaw.

MIDDLE LEFT: The new drama director, Valerie Mangrum, proudly accepts flowers after a well done production.

MIDDLE RIGHT: Jill Ellerbrake as Alice Sycamore and Jeff Pearson as Boris Kolenkov stop for a pose.

BOTTOM RIGHT: Ruth Ann Francis and Matthew Osborn "fooling around" with the props.

ABOVE: The cast practicing night and day to make everything "just right".

Editor's Ten Best Excuses For 1992-1993

10. "Photo Staff hasn't taken my pictures yet (the event was yesterday)."
9. "No one told me!!!!!!!!!!"
8. "I didn't have enough time (I spent all my time talking to members of the opposite gender)."
7. "I turned it in last week."

Honest!!!!!!!!!!!!!!

6. "It's all a conspiracy against me!"
5. "The printer wasn't working."
4. "The editors were insane!!!!!!!!!!!!!!"
3. "My Sectional Editor was on vacation for the year."
2. "The computer doesn't like me!!"
1. "The drawer stole my layout!!!!!!!!!!"

Dear Reader,

Hello, my name is Eric Hughes, and I was the '92-'93 Editor-in-Chief. These two pages are dedicated to the students who produced what you have just read through. My thanks go out to all the students involved in creating this book for all of us to look at for years to come. Some of these students are listed or shown, hard at work, trying to meet one of our deadlines. Through the course of the year we had to meet four deadlines to produce what you are looking at today. We have yet to meet another deadline in June to complete the Spring Supplement.

I would like to ask for your help. I intend to write a letter at the end of this year to be given to next year's Editor-in-Chief. What I would like you, especially the underclassmen, to do is tell me what you liked and didn't like about the book. I hope you have enjoyed the 1992-1993 Pioneer, and I hope we have done the job well enough to have created the best yearbook in the history of Dearborn High School.

Sincerely Yours,
The 1992-1993 Pioneer Staff-

1 Folks everywhere watched TV's "Northern Exposure." The characters from the wacky Alaskan town of Cicely have also made plaid shirts, baggy jeans and boots fashionable.

2 Reforms and rising prices buffeted Russia's economy as the country struggled with new-found capitalism. President Boris Yeltsin was hotly criticized by distressed citizens.

3 Johnny Carson retired after thirty years as host of the "Tonight" show. His legendary status in late-night entertainment left an opening sought after by Jay Leno, David Letterman and Arsenio Hall.

4 Actor/director Woody Allen faced charges of child abuse in a bitter custody battle with partner Mia Farrow. Allen's relationship with Mia's adopted 21-year-old daughter only added fuel to the fire.

5 Canada's Michael Wilson, USA's Carla Hills and Mexico's Jamie Puche shook hands after the signing of The North American Free Trade Agreement, ending trade barriers and forming a single market.

6 Serb artillery shelled the parliament building of Sarajevo, Yugoslavia, as the Serbs battled Bosnian Muslims and Croats. Thousands were dead and millions left homeless in this bloody civil war.

7 *Home Alone 2: Lost In New York* starring Macaulay Culkin delighted families of movie goers everywhere. The secret of the sequel's success lies in its plot—it's the same as the original *Home Alone*.

1 The cola wars took on a new twist as marketers made everything perfectly clear. Coca-Cola and Pepsi jumped on the trend bandwagon for clear liquid products, hoping thirsty buyers would think light is better.

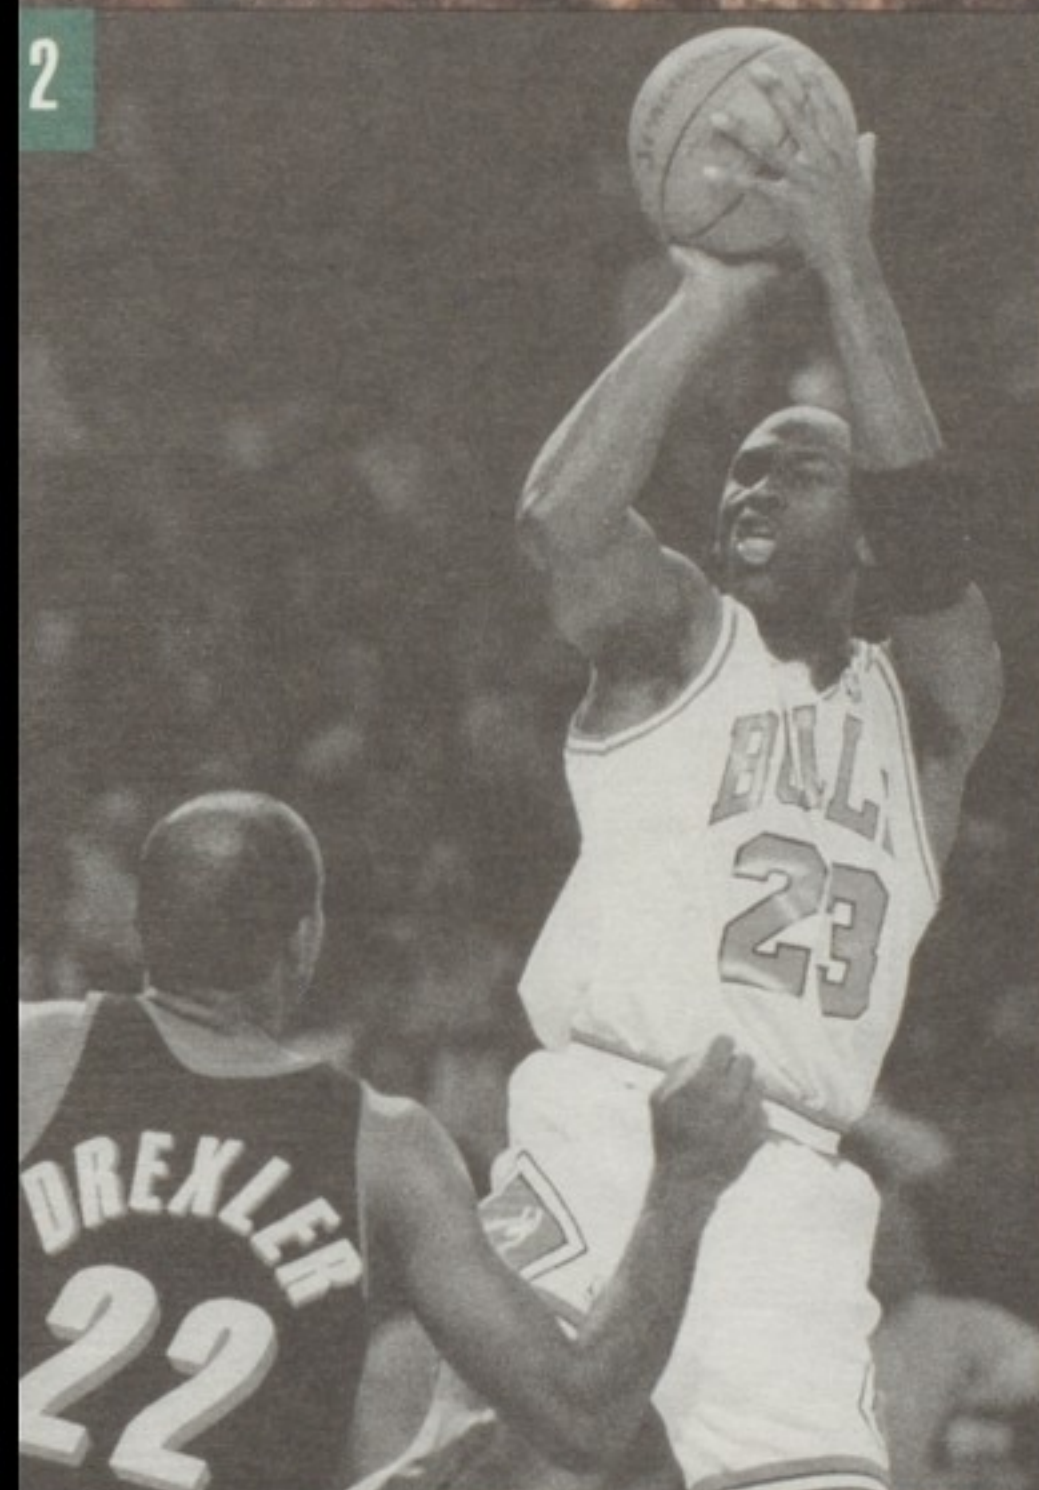

2 Chicago Bulls' Michael Jordan shot the ball past the defense as the Bulls defeated the Portland Trail Blazers in the finals and won the NBA Championship. This was the second year in a row the Bulls made it all the way to the top.

3 Replicas of Christopher Columbus's ships, La Pinta, La Santa Maria and La Niña set sail from Spain in a historical reenactment commemorating the 500th anniversary of Columbus's voyage to America.

4 Spike Lee directed the biopic *Malcolm X* with Oscar-winner Denzel Washington as the slain civil rights leader. The movie spawned \$100 million in clothing and merchandising sales, making X a fashion as well as a political statement.

5 Plain-speaking Dallas billionaire H. Ross Perot, whose presidential candidacy attracted large numbers of voters, formed the grassroots group "United We Stand, America," to watchdog Clinton and the U.S. deficit.

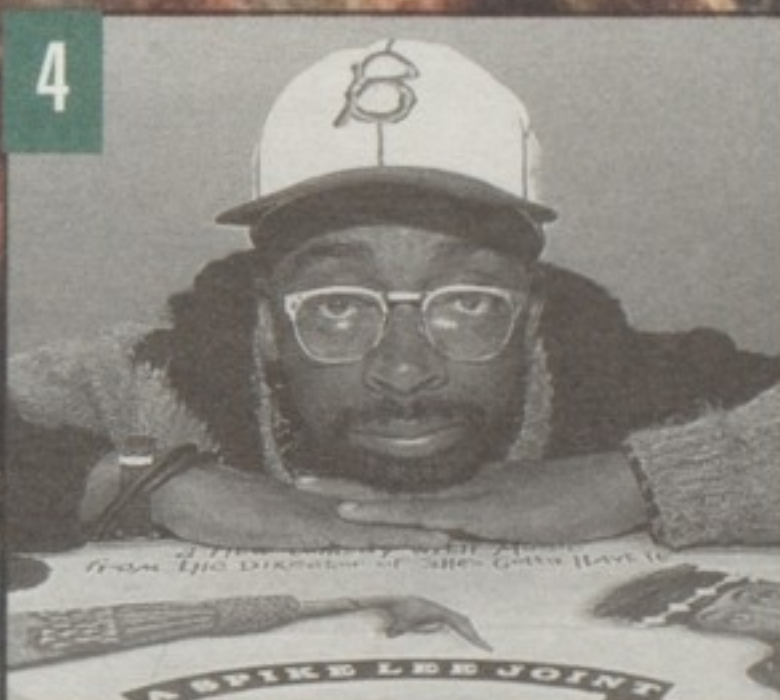

6 Camp Snoopy, the indoor amusement park of the Mall of America, welcomed shoppers to the second largest mall in the world. Visitors to Minnesota can leave their kids at the 7-acre, all-weather park while they shop the 4.2 million square feet of shops.
